

Atty. Docket No. 2003-0092-01  
USSN 10/815,387

**REMARKS**

Inventor, Fedor Trintchouk should be deleted from the above-identified Patent Application due to the cancellation of claims 65-102 in Applicant's Response to Office Action, filed December 14, 2006. A request under 37 CFR §148(b) and the applicable processing fee is enclosed herewith.

Applicants do not believe that any additional fees or charges are due in the above-captioned application for its continued prosecution, however, in the event that any such fees or charges are due and owing, then the Commissioner is hereby authorized to charge any such additional fees or charges to the Deposit Account of the Assignee of the present application, Cymer Inc., Deposit Account No. 03-4060.

Respectfully submitted,
